

VirtClass

```
classDiagram
    class VirtClass
    class PyVirtClass
    PyVirtClass --|> VirtClass
```

A UML class diagram illustrating inheritance. At the top is a box labeled 'VirtClass' with a gray fill and a black border. Below it is a box labeled 'PyVirtClass' with a white fill and a black border. A blue arrow points from the bottom of the 'PyVirtClass' box to the bottom of the 'VirtClass' box, indicating that 'PyVirtClass' inherits from 'VirtClass'.
