

test_override_cache
_helper

```
graph BT; A[test_override_cache_helper_trampoline] --> B[test_override_cache_helper];
```

The diagram consists of two rectangular boxes. The top box is gray and contains the text 'test_override_cache_helper'. The bottom box is white with a black border and contains the text 'test_override_cache_helper_trampoline'. Two blue arrows originate from the top edge of the bottom box and point upwards towards the bottom edge of the top box, indicating a call or jump from the trampoline to the helper function.
