

`std::true_type`

```
graph BT; A["is_std_array< std::array< T, N > >"] --> B["std::true_type"]
```

A diagram illustrating a relationship between two C++ types. At the bottom is a gray rectangular box containing the text `is_std_array< std::array< T, N > >`. A blue arrow points vertically upwards from the top center of this box to the bottom center of a white rectangular box at the top. The white box contains the text `std::true_type`. The white box has a thin black border.

`is_std_array< std::
array< T, N > >`
