

```
process_attribute_default  
< const char * >
```

A diagram showing two boxes. The top box is white with a black border and contains the text 'process_attribute_default' followed by '< const char * >' on the next line. The bottom box is gray with a black border and contains the text 'process_attribute<' followed by 'const char * >' on the next line. A blue arrow points from the top of the gray box to the bottom of the white box, indicating that the gray box inherits from the white box.

```
process_attribute<  
const char * >
```
